INDOOR CEREMONY 150-350

Out door ceremonies can beheld anywhere on the property. The most common locations are the barn and wood section behind the barn in the north east corner of the property. The bridal party walks out of the banquet room doors to the ceremony at the barn. When the ceremony is held in the wooded location the bridal party enters from the west side of the barn. Chairs and arches are set up the morning of the ceremony.
